SAGI race calendar here in English -> <https://kitu.agilityliitto.fi/#/> (you may need to change language from the 'Account' menu)

Choose 'race calendar' from the menu

The screenshot shows a grid of menu items: Login, Race calendar (highlighted), Course calendar, Instructions, Buy licence / manage, and Putkeen! paper. Below the grid is a yellow banner with text: "Lisenssiostojen tieto päivittyy järjestelmään muutaman tunnin viiveellä. Tämän viiveen aikana et voi ilmoittautua lisenssikauden kilpailuihin."

Choose which month's calendar you would like to see, you don't have to change anything else yet.

The screenshot shows the 'Race calendar' page with a dropdown menu set to 'September'. There are also filters for 'Club' and 'Kennel district'. On the right, there are checkboxes for 'Only upcoming races' and race classes: '1-luokka', '2-luokka', '3-luokka', and 'Mikä tahansa'.

After you have chosen the month, you will see a list like below.

Here you can see information of dates, places, deadlines for registration and the competition category.
